

Data definitions

GetAllCharityDetails

Field	Data Type	Description	Expected values
organisation_number	Integer	Charity organisation number. A unique number assigned to each charity. Unlike the registered charity number, which can be shared by multiple charities, the organisation number is always specific to a single charity.	Integer
reg_charity_number	Integer	The registration number of the registered organisation allocated by the Commission	Integer
group_subsid_suffix	Integer	A number that uniquely identifies the subsidiary or group member associated with a registered charity. Used for user identification purposes where the subsidiary is known by the parent registration number and the subsidiary number.	A value of 0 indicates the main charity. A value greater than zero indicates a subsidiary or linked charity
charity_name	String	The Main Name of the Charity	Text
charity_type	String	The type of the charity.	Previously excepted, CIO, Charitable company, Trust, Other
insolvent	Boolean	Indicates if the charity is insolvent.	True or false
in_administration	Boolean	Indicates if the charity is in administration.	True or false
prev_excepted_ind	Boolean	Indicates the charity was previously excepted.	True or false
cif_cdf_ind	String	Indicates whether the charity is a Common Investment Fund or Common Deposit Fund.	CIF, CDF or null
cio_dissolution_ind	Boolean	Indicates the CIO is to be dissolved	True or false
interim_manager_ind	Boolean	Indicates that an interim manager has been appointed at the charity.	True or null
date_of_interim_manager_appt	String	Date the interim manager was appointed.	Date or null
reg_status	String	The charity registration status indicates whether a charity is registered or removed	R = Registered RM = Removed
date_of_registration	String	The date the charity was registered with the Charity Commission.	Date
date_of_removal	String	This is the date the charity was removed from the Register of Charities. This will not necessarily be the same date that the charity ceased to exist or ceased to operate.	Date or null
latest_acc_fin_year_start_date	String	The start date of the latest financial period for which the charity has made a submission.	Date or null
latest_acc_fin_year_end_date	String	The end date of the latest financial period for which the charity has made a submission.	Date or null

latest_income	Integer	The latest income submitted by the charity.	Integer or null
latest_expenditure	Integer	The latest expenditure submitted by a charity.	Integer or null
address_line_one	String	Charity Address Line 1	Text.
address_line_two	String	Charity Address Line 2	Text.
address_line_three	String	Charity Address Line 3	Text.
address_line_four	String	Charity Address Line 4	Text.
address_line_five	String	Charity Address Line 5	Text.
address_post_code	String	Charity Postcode	Text.
phone	String	Charity Public Telephone Number	Text or null
email	String	Public email address	Text or null
web	String	Charity Website Address	Text or null
charity_co_reg_number	String	Registered Company Number of the Charity as assigned by Companies House.	Integer or null
reporting_status	String	The reporting status of the charity.	New, Removed, Submission Double Default, Submission Overdue, Submission Received, Submission Received Late, Suppressed
removal_reason	String	Where records exist for the reason for the removal from the Register of Charities it will be recorded here. Such reasons include the charity ceasing to exist, ceasing to be charitable or transferred to another registered charity such as by a merger.	Text or null
cio_ind	Boolean	Indicator to identify whether the charity is a Charitable Incorporated Organisation	True or false
last_modified_time	String	Date the information was last updated.	Date
trustee_names	Array	Section containing the names of the charity trustees.	Text
organisation_number	Integer	Charity organisation number. A unique number assigned to each charity. Unlike the registered charity number, which can be shared by multiple charities, the organisation number is always specific to a single charity.	Integer
trustee_name	String	The name of the Trustee	Text
who_what_where	Array	Section containing the charity's classifications.	Valid entries from Classification reference data
classification_type	String	The type of classification.	Valid entries from Classification reference data
classification_desc	String	Description of the classification.	Valid entries from Classification reference data
CharityAoOCountryContinent	Array	Section containing continent and country details of a charity's area of operation.	Valid country and continent entries from the Area of Operation reference data

country	String	Country in which the charity operates.	Countries as listed in the Area of Operation reference data
continent	String	Continent the country is on.	Continents as listed in the Area of Operation reference data
CharityAoOLocalAuthority	Array	Section containing local authority details of a charity's area of operation.	Valid local authority entries from Area of Operation reference data
local_authority	String	Local authority in which the charity operates.	Local authorities as listed in the Area of Operation reference data
metropolitan_county	String	The metropolitan county the local authority is in.	Metropolitan counties as listed in the Area of Operation reference data
welsh_ind	Boolean	Indicates a Welsh local authority area.	True or false
CharityAoORegion	Array	Section containing region details from a charity's area of operation.	Valid region entries from Area of Operation reference data
region	String	Region in which the charity operates.	Regions as listed in the Area of Operation reference data
other_names	String	Other names by which the organisation is or has been known. This can be an old name or a name by which the organisation is commonly known, referred to as a working name.	Text
other_name	String	Another name the charity is or was known by, of the specified type.	Text
name_type	String	The type of the name.	W = Working O = Old
constituency_name	String	Constituency in which the charity's contact is based.	Text
constituency_name	String	Constituency in which the charity's contact is based.	Text

GetCharityAccountArInformation

Field	Data Type	Description	Expected values
title	String	The type of the submitted document.	Annual Return or Accounts and TAR
reporting_period_year_end	String	The end date of a charity's financial reporting period.	Date
date_received	String	Date the Annual Return or accounts for the period were received.	Date or null
date_due	String	Date submission for the financial period was due by. This is 10 months after the financial period end date.	Date or null
document_name	String	The type of the submitted document.	Annual Return or Accounts and TAR
accounts_qualified	Boolean	Indicates whether the accounts have a qualified opinion.	True or null
suppression_ind	Boolean	Indicates the financial period has been suppressed	True or false

suppression_type	String	The type of suppression.	Text or null
-------------------------	--------	--------------------------	--------------

GetCharityAoOCountryContinent

Field	Data Type	Description	Expected values
country	String	Country in which the charity operates.	Countries as listed in the Area of Operation reference data
continent	String	Continent the country is on.	Continents as listed in the Area of Operation reference data

GetCharityAoOLocalAuthority

Field	Data Type	Description	Expected values
local_authority	String	Local authority in which the charity operates.	Local authorities as listed in the Area of Operation reference data
metropolitan_county	String	The metropolitan county the local authority is in.	Metropolitan counties as listed in the Area of Operation reference data
welsh_ind	Boolean	Indicates a Welsh local authority area.	True or false

GetCharityAoORegion

Field	Data Type	Description	Expected values
region	String	Region in which the charity operates.	Regions as listed in the Area of Operation reference data

GetCharityAreaOfOperation

Field	Data Type	Description	Expected values
area_of_operation	String	The geographical area(s) where the charity does its work or provides its benefit.	Valid entries from Area of Operation reference data
geographic_area_type	String	The area type of the area of operation	Country, Local Authority, Region

GetCharityAssetsLiabilities

Field	Data Type	Description	Expected values
organisation_number	Integer	Charity organisation number. A unique number assigned to each charity. Unlike the registered charity number, which can be shared by multiple charities, the organisation number is always specific to a single charity.	Integer
fin_period_end_date	String	The end date of a charity's financial reporting period.	Date

assets_own_use	Integer	Assets, other than investments, which are held for more than 12 months and used to run and administer the charity or which are integral to the purposes of the charity (e.g. buildings, offices, exhibits, fixtures, and fittings).	Integer
assets_long_term_investment	Integer	Investments are assets held by the charity with the sole aim of generating a financial return (income and/or capital growth) which will be applied to present and future charitable purposes. Examples include deposit accounts, shares, property and unit trusts. Investment assets are re-valued every year and included in the balance sheet at their current market value. Long term investments are held for more than 12 months.	Integer
defined_net_assets_pension	Integer	Value entered against "Pension fund assets/liabilities" under Assets and liabilities on Annual Return form.	Integer
assets_other_assets	Integer	Current assets held for the short-term (less than 12 months) (e.g. cash and bank balances, debtors, investments and trading stock).	Integer
assets_total_liabilities	Integer	All of the amounts owed by the charity at the balance sheet date to third parties (e.g. short and long term creditors, accruals, bank overdrafts, loans and mortgages etc.)	Integer

GetCharityCheckPrimaryGrants

Field	Data Type	Description	Expected values
primary_purpose_grant_making	Boolean	Indicates whether the charity's primary purpose is giving grants.	True or null

GetCharityCioDissolution

Field	Data Type	Description	Expected values
organisation_number	Integer	Charity organisation number. A unique number assigned to each charity. Unlike the registered charity number, which can be shared by multiple charities, the organisation number is always specific to a single charity.	Integer
date_cio_dissolution_notice	String	Date the CIO dissolution notice period started	Date or null

GetCharityConstituency

Field	Data Type	Description	Expected values
constituency_name	String	Constituency in which the charity's contact is based.	Valid entries from constituency reference data

GetCharityContactInformation

Field	Data Type	Description	Expected values
contact_address	String	The charity's contact address	Text or null
phone	String	Charity Public Telephone Number	Text or null
email	String	Public email address	Text or null
web	String	Charity Website Address	Text or null

GetCharityDetails

Field	Data Type	Description	Expected values
organisation_number	Integer	Charity organisation number. A unique number assigned to each charity. Unlike the registered charity number, which can be shared by multiple charities, the organisation number is always specific to a single charity.	Integer
reg_charity_number	Integer	The registration number of the registered organisation allocated by the Commission	Integer
group_subsid_suffix	Integer	A number that uniquely identifies the subsidiary or group member associated with a registered charity. Used for user identification purposes where the subsidiary is known by the parent registration number and the subsidiary number.	A value of 0 indicates the main charity. A value greater than zero indicates a subsidiary or linked charity
charity_name	String	The Main Name of the Charity	Text
charity_type	String	The type of the charity.	Previously excepted, CIO, Charitable company, Trust, Other
insolvent	Boolean	Indicates if the charity is insolvent.	True or false
in_administration	Boolean	Indicates if the charity is in administration.	True or false
prev_excepted_ind	Boolean	Indicates the charity was previously excepted.	True or false
cif_cdf_ind	String	Indicates whether the charity is a Common Investment Fund or Common Deposit Fund.	CIF, CDF or null
cio_dissolution_ind	Boolean	Indicates the CIO is to be dissolved	True or false
interim_manager_ind	Boolean	Indicates that an interim manager has been appointed at the charity.	True or null
date_of_interim_manager_appt	String	Date the interim manager was appointed.	Date or null
reg_status	String	The charity registration status indicates whether a charity is registered or removed	R = Registered RM = Removed
date_of_registration	String	The date the charity was registered with the Charity Commission.	Date

date_of_removal	String	This is the date the charity was removed from the Register of Charities. This will not necessarily be the same date that the charity ceased to exist or ceased to operate .	Date or null
latest_acc_fin_year_start_date	String	The start date of the latest financial period for which the charity has made a submission.	Date or null
latest_acc_fin_year_end_date	String	The end date of the latest financial period for which the charity has made a submission.	Date or null
latest_income	Integer	The latest income submitted by the charity.	Integer or null
latest_expenditure	Integer	The latest expenditure submitted by a charity.	Integer or null
address_line_one	String	Charity Address Line 1	Text.
address_line_two	String	Charity Address Line 2	Text.
address_line_three	String	Charity Address Line 3	Text.
address_line_four	String	Charity Address Line 4	Text.
address_line_five	String	Charity Address Line 5	Text.
address_post_code	String	Charity Postcode	Text.
phone	String	Charity Public Telephone Number	Text or null
email	String	Public email address	Text or null
web	String	Charity Website Address	Text or null
charity_co_reg_number	String	Registered Company Number of the Charity as assigned by Companies House.	Integer or null
reporting_status	String	The reporting status of the charity.	New, Removed, Submission Double Default, Submission Overdue, Submission Received, Submission Received Late, Suppressed
removal_reason	String	Where records exist for the reason for the removal from the Register of Charities it will be recorded here. Such reasons include the charity ceasing to exist, ceasing to be charitable or transferred to another registered charity such as by a merger.	Text or null
cio_ind	Boolean	Indicator to identify whether the charity is a Charitable Incorporated Organisation	True or false
last_modified_time	String	Date the information was last updated.	Date

GetCharityDetailsMulti

Field	Data Type	Description	Expected values
organisation_number	Integer	Charity organisation number. A unique number assigned to each charity. Unlike the registered charity number, which can be shared by multiple charities, the organisation number is always specific to a single charity.	Integer
reg_charity_number	Integer	The registration number of the registered organisation allocated by the Commission	Integer
group_subsid_suffix	Integer	A number that uniquely identifies the subsidiary or group member associated with a registered charity. Used for user identification purposes where the subsidiary is known by the parent registration number and the subsidiary number.	A value of 0 indicates the main charity. A value greater than zero indicates a subsidiary or linked charity
charity_name	String	The Main Name of the Charity	Text
charity_type	String	The type of the charity.	Previously excepted, CIO, Charitable company, Trust, Other
insolvent	Boolean	Indicates if the charity is insolvent.	True or false
in_administration	Boolean	Indicates if the charity is in administration.	True or false
prev_excepted_ind	Boolean	Indicates the charity was previously excepted.	True or false
cif_cdf_ind	String	Indicates whether the charity is a Common Investment Fund or Common Deposit Fund.	CIF, CDF or null
cio_dissolution_ind	Boolean	Indicates the CIO is to be dissolved	True or false
interim_manager_ind	Boolean	Indicates that an interim manager has been appointed at the charity.	True or null
date_of_interim_manager_appt	String	Date the interim manager was appointed.	Date or null
reg_status	String	The charity registration status indicates whether a charity is registered or removed	R = Registered RM = Removed
date_of_registration	String	The date the charity was registered with the Charity Commission.	Date
date_of_removal	String	This is the date the charity was removed from the Register of Charities. This will not necessarily be the same date that the charity ceased to exist or ceased to operate .	Date or null
latest_acc_fin_year_start_date	String	The start date of the latest financial period for which the charity has made a submission.	Date or null
latest_acc_fin_year_end_date	String	The end date of the latest financial period for which the charity has made a submission.	Date or null
latest_income	Integer	The latest income submitted by the charity.	Integer or null
latest_expenditure	Integer	The latest expenditure submitted by a charity.	Integer or null
address_line_one	String	Charity Address Line 1	Text.

address_line_two	String	Charity Address Line 2	Text.
address_line_three	String	Charity Address Line 3	Text.
address_line_four	String	Charity Address Line 4	Text.
address_line_five	String	Charity Address Line 5	Text.
address_post_code	String	Charity Postcode	Text.
phone	String	Charity Public Telephone Number	Text or null
email	String	Public email address	Text or null
web	String	Charity Website Address	Text or null
charity_co_reg_number	String	Registered Company Number of the Charity as assigned by Companies House.	Integer or null
reporting_status	String	The reporting status of the charity.	New, Removed, Submission Double Default, Submission Overdue, Submission Received, Submission Received Late, Suppressed
removal_reason	String	Where records exist for the reason for the removal from the Register of Charities it will be recorded here. Such reasons include the charity ceasing to exist, ceasing to be charitable or transferred to another registered charity such as by a merger.	Text or null
cio_ind	Boolean	Indicator to identify whether the charity is a Charitable Incorporated Organisation	True or false
last_modified_time	String	Date the information was last updated.	Date

GetCharityFinancialHistory

Field	Data Type	Description	Expected values
ar_cycle_reference	String	The annual return cycle to which the submission details relate.	AR + final 2 digits of year e.g. AR21 for Annual Return 2021
financial_period_end_date	String	The end date of a charity's financial reporting period.	Date
income	Integer	The income for the financial period	Integer
expenditure	Integer	The expenditure for the financial period.	Integer
consolidated_account	Boolean	Consolidated accounts bring together the resources of the charity and the subsidiaries under its control in one statement. These subsidiaries may be non-charitable and to exist for purposes that benefit the parent charity e.g. fund-raising.	True or null
charity_only_account	Boolean	Figures from charity-only accounts.	True or null
income_from_govt_contracts	Integer	Income received from government contracts.	Integer

income_from_govt_grants	Integer	Income received from government grants.	Integer
inc_donations_and_legacies	Integer	Income from donations and legacies as entered on the Annual Return form.	Integer
inc_other_trading_activities	Integer	Income from other trading activity as entered on the Annual Return form.	Integer
inc_charitable_activities	Integer	Income received as fees or grants specifically for goods and services supplied by the charity to meet the needs of its beneficiaries.	Integer
inc_endowments	Integer	Value entered against "Endowments Received" under Incoming Resources on Annual Return form.	Integer
inc_legacies	Integer	Value entered against "Legacies" under Incoming Resources on Annual Return form.	Integer
inc_investment	Integer	Income from investments including dividends, interest and rents but excluding changes (realised and unrealised gains) in the capital value of the investment portfolio.	Integer
inc_other	Integer	This category includes gains on the disposal of own use assets (i.e. fixed assets not held as investments), but otherwise is only used exceptionally for very unusual transactions that cannot be accounted for in the categories above.	Integer
inc_total	Integer	The charity's income is shown as the total incoming resource recorded in the charity's Statement of Financial Activities (SoFA) which forms part of their accounts.	Integer
exp_charitable_activities	Integer	Costs incurred by the charity in supplying goods or services to meet the needs of its beneficiaries. Grants made to meet the needs of the charity's beneficiaries.	Integer
exp_raising_funds	Integer	Costs associated with providing goods and services to the public, where the main motive is to raise funds for the charity rather than providing goods or services to meet the needs of its beneficiaries. (e.g. charity shops, fundraising dinners etc.).	Integer
exp_governance	Integer	Costs associated with running the charity itself (e.g. costs of trustee meetings, internal and external audit costs and legal advice relating to governance matters).	Integer
exp_grants_institution	Integer	Value entered against "Grants to Institutions" under Resources Expended on Annual Return form.	Integer
exp_investment_management	Integer	Costs incurred in managing the charity's investments, including portfolio and property management costs and investment advice.	Integer
exp_other	Integer	This category is only used very exceptionally for items that don't fit within one of the categories above.	Integer
exp_total	Integer	The charity's spending is the total resource expended as shown in the charity's Statement of Financial Activities (SoFA) which forms part of their accounts.	Integer

GetCharityGovernanceInformation

Field	Data Type	Description	Expected values
charity_type	String	The type of the charity.	Previously excepted, CIO, Charitable company, Trust, Other
charity_co_reg_number	String	Registered Company Number of the Charity as assigned by Companies House.	Integer or null
gift_aid	Boolean	Shows whether the charity is registered for gift aid with HMRC.	True or false
has_land	Boolean	Shows whether the charity owns or leases any land or buildings.	True or false

GetCharityGoverningDocument

Field	Data Type	Description	Expected values
governing_document_description	String	A description of the governing document. Will usually contain the governing document type and date as well as dates of any amendments.	Text. Can contain formatting.
charitable_objects	String	The objects describe what the charity has been set up to do. The objects may also include a description of the way in which they should be pursued or achieved. The text that appears here is taken directly from the charity's governing document.	Text.
area_of_benefit	String	This is the geographical area that the charity can operate within as described in its governing document. A charity cannot do its work outside the area of benefit specified in its governing document but may operate in only part of that area. May not always be defined.	Text

GetCharityLinkedCharities

Field	Data Type	Description	Expected values
charity_name	String	The Main Name of the Charity	Text
linked_organisation_number	Integer	Organisation number of the linked charity.	Integer
main_organisation_number	Integer	Organisation number of the main charity.	Integer
reg_charity_number	Integer	The registration number of the registered organisation allocated by the Commission	Integer
charity_suffix	Integer	A number that uniquely identifies the subsidiary or group member associated with a registered charity. Used for user identification purposes where the subsidiary is known by the parent registration number and the subsidiary number.	A value of 0 indicates the main charity. A value greater than zero indicates a subsidiary or linked charity.
governing_document	String	A description of the governing document. Will usually contain the governing document type and date as well as dates of any amendments.	Text. Can contain formatting.

charitable_objects	String	The objects describe what the charity has been set up to do. The objects may also include a description of the way in which they should be pursued or achieved. The text that appears here is taken directly from the charity's governing document.	Text.
area_of_benefit	String	This is the geographical area that the charity can operate within as described in its governing document. A charity cannot do its work outside the area of benefit specified in its governing document but may operate in only part of that area. May not always be defined.	Text

GetCharityLinkedCharity

Field	Data Type	Description	Expected values
charity_name	String	The Main Name of the Charity	Text
linked_organisation_number	Integer	Organisation number of the linked charity.	Integer
main_organisation_number	Integer	Organisation number of the main charity.	Integer
reg_charity_number	Integer	The registration number of the registered organisation allocated by the Commission	Integer
charity_suffix	Integer	A number that uniquely identifies the subsidiary or group member associated with a registered charity. Used for user identification purposes where the subsidiary is known by the parent registration number and the subsidiary number.	A value of 0 indicates the main charity. A value greater than zero indicates a subsidiary or linked charity
governing_document	String	A description of the governing document. Will usually contain the governing document type and date as well as dates of any amendments.	Text. Can contain formatting.
charitable_objects	String	The objects describe what the charity has been set up to do. The objects may also include a description of the way in which they should be pursued or achieved. The text that appears here is taken directly from the charity's governing document.	Text.
area_of_benefit	String	This is the geographical area that the charity can operate within as described in its governing document. A charity cannot do its work outside the area of benefit specified in its governing document but may operate in only part of that area. May not always be defined.	Text

GetCharityOtherNames

Field	Data Type	Description	Expected values
other_name	String	Another name the charity is or was known by, of the specified type.	Text
name_type	String	The type of the name.	W = Working O = Old

GetCharityOtherRegulators

Field	Data Type	Description	Expected values
regulator_desc	String	Name of other organisation that regulates the charity.	Care Inspectorate Wales (CIW), Care Quality Commission, Estyn: Her Majesty's Inspectorate For Education And Training In Wales, Financial Conduct Authority, Healthcare Inspectorate Wales (HIW), Homes England, Ofsted (Office For Standards In Education), Welsh Government (Social Landlords And Housing Associations),
regulator_web	String	Website of the regulator.	Text

GetCharityOverview

Field	Data Type	Description	Expected values
activities	String	The trustees' description of what they do and who they help.	Text. Can contain formatting.
latest_acc_fin_year_end_date	String	The end date of the latest financial period for which the charity has made a submission.	Date or null
latest_income	Integer	The latest income submitted by the charity.	Integer or null
latest_expenditure	Integer	The latest expenditure submitted by a charity.	Integer or null
inc_donations_legacies	Integer	Income from donations and legacies as entered on the Annual Return form.	Integer
inc_other_trading_activities	Integer	Income from other trading activity as entered on the Annual Return form.	Integer
inc_investments	Integer	Income from investments including dividends, interest and rents but excluding changes (realised and unrealised gains) in the capital value of the investment portfolio.	Integer
inc_charitable_activities	Integer	Income received as fees or grants specifically for goods and services supplied by the charity to meet the needs of its beneficiaries.	Integer
inc_other	Integer	This category includes gains on the disposal of own use assets (i.e. fixed assets not held as investments), but otherwise is only used exceptionally for very unusual transactions that cannot be accounted for in the categories above.	Integer
investment_gains_losses	Integer	Changes in the value of investments, whether they are from a sale of the asset (realised) or from a change in valuation (unrealised), are reported as gains or losses on investment assets.	Integer
exp_raising_funds	Integer	Costs associated with providing goods and services to the public, where the main motive is to raise funds for the charity rather than providing goods or services to meet the needs of its beneficiaries. (e.g. charity shops, fundraising dinners etc.).	Integer

exp_charitable_activities	Integer	Costs incurred by the charity in supplying goods or services to meet the needs of its beneficiaries. Grants made to meet the needs of the charity's beneficiaries.	Integer
exp_other	Integer	This category is only used very exceptionally for items that don't fit within one of the categories above.	Integer
volunteers	Integer	Number Of Volunteers. The trustees' estimate of the number of people who undertook voluntary work in the UK for the charity during the year. The number shown is a head count and not expressed as full time equivalents.	Integer or null
employees	Integer	Number Of Employees. The average number of employees during the year expressed as full-time equivalents.	Integer
trustees	Integer	The number of trustees a charity has.	Integer
fin_period_end_date	String	The end date of a charity's financial reporting period.	Date
raises_funds_from_public	Boolean	Does the charity raise funds from the public?	True, false or null
professional_fundraiser	Boolean	Does the charity work with professional fundraisers?	True, false or null
agreement_professional_fundraiser	Boolean	Does the charity have an agreement with its professional fundraisers?	True, false or null
commercial_participator	Boolean	Does the charity work with commercial participators	True, false or null
agreement_commercial_participator	Boolean	Does the charity have an agreement with its commercial participators?	True, false or null
grant_making_main_activity	Boolean	Indicates whether the charity's primary purpose is giving grants.	True or null
receive_govt_funding_contracts	Boolean	Did the charity receive income from contracts (other than grant agreements) with central government or local authorities?	True, false or null
number_govt_contracts	Integer	The number of government contracts.	Integer or null
income_from_govt_contracts	Integer	Income received from government contracts.	Integer
receive_govt_funding_grants	Boolean	Did the charity receive income from grants from central government or local authorities?	True, false or null
number_govt_grants	Integer	The number of government grants	Integer or null
income_from_govt_grants	Integer	Income received from government grants.	Integer
trading_subsidiary	Boolean	Did the charity have any trading subsidiaries?	True, false or null
trustee_also_director	Boolean	Were any of the trustees also directors of the charity's subsidiaries?	True, false or null
any_trustee_benefit	Boolean	Did any of the trustees receive any remuneration, payments or benefits from the charity other than refunds of legitimate trustee expenses?	True, false or null
trustee_payments_acting_as_trustee	Boolean	Did any trustees receive payments for acting as a trustee?	True, false or null
trustee_payments_services	Boolean	Did any trustees receive payments for providing services to the charity?	True, false or null
trustee_receives_other_benefit	Boolean	Did any trustees receive any other benefit from the charity?	True, false or null
trustee_resigned_employment	Boolean	Did any of the trustees resign and take up employment with the charity?	True, false or null
employees_over_60k	Boolean	Did any of the charity's staff receive total employee benefits of £60,000 or more?	True, false or null

band_60001_70000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_70001_80000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_80001_90000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_90001_100000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_100001_110000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_110001_120000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_120001_130000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_130001_140000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_140001_150000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_150001_200000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_200001_250000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_250001_300000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_300001_350000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_350001_400000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_400001_450000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_450001_500000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
band_over_500000	Integer	Number of staff whose total employment benefits were in this band.	Integer or null
partb_income	Integer	The income entered in part b of the Annual Return. This section is only completed by charities with an income over £500,000 in the period being reported.	Integer or null
partb_exenditure	Integer	The expenditure entered in part b of the Annual Return. This section is only completed by charities with an income over £500,000 in the period being reported.	Integer or null

GetCharityPolicyInformation

Field	Data Type	Description	Expected values
policy_desc	String	The name of a policy held by the charity.	Complaints handling, Conflicting interests, Investment, Paying staff, Risk management, Safeguarding vulnerable beneficiaries, Volunteer management

GetCharityRegistrationHistory

Field	Data Type	Description	Expected values
event_group	String	A group of events that can occur during a charity's lifecycle	Registration, Asset transfer
reg_desc	String	The name of a specific event in a charity's lifecycle	Asset transfer in, Asset transfer out, CIO registration, Previously excepted registration, Removed, Re-registered, Standard registration,
reg_date	String	The date of the event.	Date
event_reason	String	The reason for the event.	Text or null
assoc_organisation_number	Integer	Organisation number of a charity associated with the event	Integer or null

GetCharityRegulatoryReport

Field	Data Type	Description	Expected values
organisation_number	Integer	Charity organisation number. A unique number assigned to each charity. Unlike the registered charity number, which can be shared by multiple charities, the organisation number is always specific to a single charity.	Integer
report_name	String	The type of report. This could be a regulatory report, a scheme or order, or other notice.	Inquiry report (SORI), Intention to direct winding up, Intention to use power, Interim manager, Official warning, Order, Regulatory case report, Scheme, Statement of inquiry
report_location	String	URL of the report, where available.	Text or null
date_published	String	Date the report was published.	Date or null

GetCharityTrusteeInformation

Field	Data Type	Description	Expected values
name	String	The name of the Trustee	Text
is_chair	Boolean	Indicates the trustee is the chairperson.	True or false
date_of_appointment	String	Date the trustee was appointed.	Date or null
organisation_number	Integer	The organisation number of another charity the trustee is also trustee of.	Integer or null
charity_name	String	The name of another charity the trustee is also trustee of.	Text or null

reporting_status	String	The reporting status of another charity the trustee is also trustee of.	New, Removed, Submission Double Default, Submission Overdue, Submission Received, Submission Received Late, Suppressed, or null
reg_charity_number	Integer	The registered number of another charity the trustee is also trustee of.	Integer or null

GetCharityTrusteeNames

Field	Data Type	Description	Expected values
organisation_number	Integer	Charity organisation number. A unique number assigned to each charity. Unlike the registered charity number, which can be shared by multiple charities, the organisation number is always specific to a single charity.	Integer
trustee_name	String	The name of the Trustee	Text

GetCharityWhoWhatHow

Field	Data Type	Description	Expected values
classification_code	Integer	Code for a specific classification where the first digit indicates the type and the last two indicate the description	Valid entries from Classification reference data
classification_type	String	The type of classification.	Valid entries from Classification reference data
classification_desc	String	Description of the classification.	Valid entries from Classification reference data

GetSearchCharityByName

Field	Data Type	Description	Expected values
organisation_number	Integer	Charity organisation number. A unique number assigned to each charity. Unlike the registered charity number, which can be shared by multiple charities, the organisation number is always specific to a single charity.	Integer
reg_charity_number	Integer	The registration number of the registered organisation allocated by the Commission	Integer
group_subsid_suffix	Integer	A number that uniquely identifies the subsidiary or group member associated with a registered charity. Used for user identification purposes where the subsidiary is known by the parent registration number and the subsidiary number.	A value of 0 indicates the main charity. A value greater

			than zero indicates a subsidiary or linked charity
charity_name	String	The Main Name of the Charity	Text
reg_status	String	The charity registration status indicates whether a charity is registered or removed	R = Registered RM = Removed
date_of_registration	String	The date the charity was registered with the Charity Commission.	Date
date_of_removal	String	This is the date the charity was removed from the Register of Charities. This will not necessarily be the same date that the charity ceased to exist or ceased to operate .	Date or null

GetSearchCharityByRegDate

Field	Data Type	Description	Expected values
organisation_number	Integer	Charity organisation number. A unique number assigned to each charity. Unlike the registered charity number, which can be shared by multiple charities, the organisation number is always specific to a single charity.	Integer
reg_charity_number	Integer	The registration number of the registered organisation allocated by the Commission	Integer
group_subsid_suffix	Integer	A number that uniquely identifies the subsidiary or group member associated with a registered charity. Used for user identification purposes where the subsidiary is known by the parent registration number and the subsidiary number.	A value of 0 indicates the main charity. A value greater than zero indicates a subsidiary or linked charity
charity_name	String	The Main Name of the Charity	Text
reg_status	String	The charity registration status indicates whether a charity is registered or removed	R = Registered RM = Removed
date_of_registration	String	The date the charity was registered with the Charity Commission.	Date
date_of_removal	String	This is the date the charity was removed from the Register of Charities. This will not necessarily be the same date that the charity ceased to exist or ceased to operate .	Date or null

GetSearchCharityByRegNumber

Field	Data Type	Description	Expected values
organisation_number	Integer	Charity organisation number. A unique number assigned to each charity. Unlike the registered charity number, which can be shared by multiple charities, the organisation number is always specific to a single charity.	Integer

reg_charity_number	Integer	The registration number of the registered organisation allocated by the Commission	Integer

SectorDataGetTop10Individual

Field	Data Type	Description	Expected values
type	String	Employees, Expenditure, Expenditure charitable activities, Expenditure growth, Income, Income growth, Investment gains, Investments, Overdue, Volunteers	Employees, Expenditure, Expenditure charitable activities, Expenditure growth, Income, Income growth, Investment gains, Investments, Overdue, Volunteers
order_no	Integer	The position of the charity in the list.	Integers 1 - 10
organisation_number	Integer	Charity organisation number. A unique number assigned to each charity.	Integer
reg_charity_number	Integer	The registration number of the registered charity	Integer
charity_name	String	The main name of the charity.	Text
inc_donations_legacies	Integer	Income from donations and legacies as entered on the Annual Return form.	Integer
inc_other_trading_activities	Integer	Income from other trading activity as entered on the Annual Return form.	Integer
inc_investments	Integer	Income from investments as entered on the Annual Return form.	Integer
inc_charitable_activities	Integer	Income received as fees or grants specifically for goods and services supplied by the charity to meet the needs of its beneficiaries.	Integer
inc_other	Integer	Income from other sources as entered on the Annual Return form.	Integer
inc_total	Integer	The charity's total income.	Integer
investment_gains_losses	Integer	Gains or losses on investment assets.	Integer
income_growth	Integer	Income growth compared to the previous financial period.	Integer
exp_raising_funds	Integer	Expenditure on raising funds.	Integer
exp_charitable_activities	Integer	Expenditure on charitable activities.	Integer
exp_other	Integer	Other expenditure as entered on the Annual Return form.	Integer
exp_total	Integer	The charity's total expenditure.	Integer
expenditure_growth	Integer	Expenditure growth compared to the previous financial period.	Integer
assets_own_use	Integer	Assets, other than investments, which are held for more than 12 months and used to run and administer the charity or which are integral to the purposes of the charity (e.g. buildings, offices, exhibits, fixtures and fittings).	Integer
assets_long_term_investment	Integer	Investments are assets held by the charity with the sole aim of generating a financial return (income and/or capital growth) which will be applied to present and future charitable purposes. Examples include deposit accounts, shares, property and unit trusts. Investment assets are re-valued every year and included in the balance sheet at their current market value. Long term investments are held for more than 12 months.	Integer

defined_net_assets_pension	Integer	Value entered against "Pension fund assets/liabilities" under Assets and liabilities on Annual Return form.	Integer
assets_other_assets	Integer	Current assets held for the short-term (less than 12 months) (e.g. cash and bank balances, debtors, investments and trading stock).	Integer
assets_total_liabilities	Integer	All of the amounts owed by the charity at the balance sheet date to third parties (e.g. short and long term creditors, accruals, bank overdrafts, loans and mortgages etc.)	Integer
trustees	Integer	The number of trustees a charity has.	Integer
employees	Integer	Number Of Employees. The average number of employees during the year expressed as full-time equivalents.	Integer
volunteers	Integer	Number Of Volunteers. The trustees' estimate of the number of people who undertook voluntary work in the UK for the charity during the year. The number shown is a head count and not expressed as full time equivalents.	Integer
last_modified_time	String	Date the data was last processed	Date

perc_of_charities	Number	The percentage of charities in a given band or category	Percentage
perc_of_income	Number	The percentage of income accounted for by charities in a given band or category	Percentage

perc_of_expenditure	Number	The percentage of expenditure accounted for by charities in a given band or category	Percentage
inc_donations_legacyes	Integer	Total income from donations and legacies for all charities in a given band or category.	Integer
inc_other_trading_activities	Integer	Total income from other trading activity for all charities in a given band or category.	Integer
inc_investments	Integer	Total income from investments for all charities in a given band or category.	Integer
inc_charitable_activities	Integer	Total income from charitable activities for all charities in a given band or category.	Integer
inc_other	Integer	Total income from other sources for all charities in a given band or category.	Integer
investment_gains_losses	Integer	Gains or losses on investment assets for all charities in a given band or category.	Integer
exp_raising_funds	Integer	Total expenditure on raising funds for all charities in a given band or category.	Integer
exp_charitable_activities	Integer	Total expenditure on charitable activities for all charities in a given band or category.	Integer
exp_other	Integer	Total other expenditure for all charities in a given band or category.	Integer
assets_own_use	Integer	Total own use assets for all charities in a given band or category.	Integer
assets_long_term_investment	Integer	Total long term investments for all charities in a given band or category.	Integer
defined_net_assets_pension	Integer	Total pension fund assets/liabilities for all charities in a given band or category.	Integer
assets_other_assets	Integer	Current assets held for all charities in a given band or category.	Integer
assets_total_liabilities	Integer	Total liabilities for all charities in a given band or category.	Integer
trustees	Integer	The number of trustees for all charities in a given band or category.	Integer
employees	Integer	Number Of employees for all charities in a given band or category.	Integer
volunteers	Integer	Number Of volunteers for all charities in a given band or category.	Integer
last_modified_time	String	Date the data was last processed	Date
tot_gross_income	Integer	The total gross income for all charities in a given band or category. This figure comes from part a of the Annual Return and is entered by all charities.	Integer
tot_gross_expenditure	Integer	The total gross expenditure for all charities in a given band or category. This figure comes from part a of the Annual Return and is entered by all charities.	Integer
avg_gross_income	Integer	The average gross income for all charities in a given band or category. This figure comes from part a of the Annual Return and is entered by all charities.	Integer

SectorDataOverview

Field	Data Type	Description	Expected values
date_updated	String	Date the data was last processed	Date
number_of_main_charities	Integer	The total number of registered main charities.	Integer
number_of_linked_charities	Integer	The total number of registered linked charities.	Integer

income	Integer	The total income reported by all main charities.	Integer
expenditure	Integer	The total expenditure reported by all main charities.	Integer
inc_donations_legacies	Integer	Total income from donations and legacies for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
inc_other_trading_activities	Integer	Total income from other trading activity for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
inc_investments	Integer	Total income from investments for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
inc_charitable_activities	Integer	Total income from charitable activities for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
inc_other	Integer	Total income from other sources for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
inc_total	Integer	The total income for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
investment_gains_losses	Integer	Gains or losses on investment assets for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
income_growth	Integer	Income growth compared to the previous financial period.	Integer
exp_raising_funds	Integer	Total expenditure on raising funds for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
exp_charitable_activities	Integer	Total expenditure on charitable activities for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
exp_other	Integer	Total other expenditure for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
exp_total	Integer	Total expenditure for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
expenditure_growth	Integer	Expenditure growth compared to the previous financial period.	Integer
assets_own_use	Integer	Total own use assets for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
assets_long_term_investment	Integer	Total long term investments for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer

defined_net_assets_pension	Integer	Total pension fund assets/liabilities for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
assets_other_assets	Integer	Current assets held for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
assets_total_liabilities	Integer	Total liabilities for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
employees	Integer	Number Of employees for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
volunteers	Integer	Number Of volunteers for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
trustees	Integer	The number of trustees for all main charities. This figure is only reported by charities with an income over £500,000 in their latest reported financial period.	Integer
exp_on_income_generation	Integer	The total expenditure on income generation reported by charities. This figure only includes charities that had an income over £500,000 in their latest reported financial period	Integer
retained	Integer	Total income retained by all charities. This figure only includes charities that had an income over £500,000 in their latest reported financial period	Integer
